

**PADI Asia Pacific Member Awards
Asia Pacific Winners**

To better recognize the achievements of those PADI Dive Centres and Resorts who have made significant contributions to the growth and development of diving, PADI Asia Pacific is pleased to announce details of the overall winners of this year's PADI Asia Pacific Member Awards program.

Adopting a fresh new format, one that provides a system in which all PADI Members participated, forty PADI Members were selected as Regional award winners in April 2009. A panel of judges then selected the following five Members as the overall PADI Asia Pacific award winners in the selected categories.

The five award winners enjoyed enormous success in the past 12 months due to hard work and a very positive and professional approach toward the dive industry.

PADI congratulates all of our Members on the outstanding job you do training divers and we wish you the best of success for the remainder of 2009.
